**FAMILY LAW FIRM MEYER, OLSON, LOWY & MEYERS NOW SERVES CLIENTS
OUT OF TWO OFFICES WITH OPENING OF NEW LOCATION IN IRVINE**

IRVINE, Calif. (April 10, 2014) – Century City-based family law firm Meyer, Olson, Lowy & Meyers (MOLM) continues to grow its practice with the opening this month of a second office located in Irvine, Calif. The female-owned firm, which has specialized in high-net worth and complex family law cases for more than 20 years, established the Irvine office to enable its team of attorneys to more closely connect with the growing number of clients it represents from Orange and San Diego Counties.

“While we work with clients across California and other parts of the country, we have had such a marked increase in the number of cases we are handling in Orange County courts that having an office in Irvine allows us to enhance our capabilities in this market and our presence within the local business community,” said Lisa Helfend Meyer, MOLM founding partner. “We look forward to welcoming legal colleagues and other professionals in Orange County to our upcoming grand opening reception.”

With its current roster of 19 attorneys who all practice exclusively family law, MOLM has a collective depth of expertise and experience unmatched by any family law firm in California. Attorney Marc Garelick, who began his legal career at MOLM’s Century City office, rejoins the firm to open the new office located at 1920 Main Street, Suite 1050, Irvine, CA 92614.
